# HOW TO ORGANIZE YOUR OWN TOY DRIVE

Kerrington's Heart is dedicated to creating an experience that not only acknowledges but rewards pediatric heart patients for their courage and strength. Kerrington's Kloset was created to provide a magical experience where the heart warriors follow a path throughout the Pediatric Cardiology Clinic to a "Kloset" where they can choose a toy for their bravery.

We would like to thank you for your interest in organizing a toy drive to help with our initiative. Organizing a toy drive can be simple, easy and fun! With the materials provided in this packet, you can run a successful toy drive with minimum time commitment. Your donation will help keep our Kerrington's Kloset stocked with a variety of toys for pediatric heart patients!

## 4 EASY STEPS TO RUNNING A SUCCESSFUL TOY DRIVE

1. Please fill out our Fundraising Request Form
2. Select a date

We suggest holding it for up to five days, giving individuals one designated week to bring in their items. No matter what length of time you choose, plan on receiving items after the deadline.

Plan the actual deadline to be a few days after the deadline that you publicize.

3. Make Some Noise!

Publicity is the key to a successful toy drive. The more you remind people of your toy drive, the more likely they are to participate. Spread the word through emails, fliers, and social media.

People like to be informed about ways they can help.

4. Set up the drop-off location

Make sure your drop-off location is easily accessible. Secure a box or bin large enough to collect the toys. Be sure that this location is secured and protected from the weather.

5. Collect, Collect, Collect!

The hard part is over. It's now time to sit back and watch your supporters come together for a great cause. When all the toys have been collected and are ready to be delivered, please contact us to schedule a drop off time.

# TOY AND GIFT SAFETY GUIDELINES

*Thank you for your interest in donating a toy and/or gift to Kerrington's Heart, Inc. All items received will be used in our Kerrington's Kloset at the Kentucky Pediatric Congenital Heart Clinic located at the University of Kentucky Children's Hospital or will be included in care packages sent to families experiencing long term hospital stays. In order to best protect the health and safety of the patients, please adhere to the following guidelines for donations. Thank you again!*

- Donations must be new and in its original packaging. We cannot accept any used items, so items must have the manufacturer and store tags attached.
- Donations will be for children under the age of 18, so please provide age appropriate items.
- We cannot accept stuffed toys. This includes Beanie Babies.
- Toys that represent violent themes (i.e. guns, swords, weapons, etc.) or toys that represent inappropriate language or of a sexual nature cannot be accepted.
- Food and candy cannot be accepted due to the dietary restrictions of some of the children.
- Items must be neutral in relation to politics and religion. All items must be latex-free.
- We cannot accept items that are gift wrapped.

## HELPFUL INFORMATION FOR GIFT DONATIONS

- Due to patient privacy, toys cannot be delivered directly to the patients by the donor.
- A list of wish-list items can be also viewed on [www.amazon.com](http://www.amazon.com) and by searching for Kerrington's Heart under the wish list section. All items ordered from the wish list will be delivered directly to us.
- Monetary donations can be directed specifically towards toys. Please notify us at the time of the donation, so we can ensure that the funds are appropriately allocated.
- Please fill out the In Kind Donation Form for all non-monetary gifts and provide to donor.
- If you plan on having a toy drive please use our printable resources. To setup delivery of toys please contact Christy Johnson or Maggie Chism at [info@kerringtonsheart.org](mailto:info@kerringtonsheart.org) at least one week in advance to make arrangements for your donation delivery.
